

The Spoke

Rotary Club of Danbury

January 7, 2009

www.danburyrotary.org District 7980 P O Box 788, Danbury, CT 06813 Editor: Ralph S. Welsh

Again, this is an abbreviated issue due to the storm cancellation of the last meeting. Since we have not met for three weeks, there is very little to report. However, one might start to plan for the District 7980 **Valentine's Ball**, February 14th. It is a black tie optional event, the cost is pegged at \$125.00 per couple, the bar opens at 6:30 pm., and one can choose Prime Rib or Chicken Provençal for the main course. A vegetarian dish is also available. The event will be held at the Country House Restaurant in East Haven. It would nice to have a group from the Club attend the party. Reservations can be made, along with your check, by writing PDG Paul Burns at 8 Cortina Road, East Haven, CT

06513.

A Note Regarding Our President: Jim Gargan has informed us that our president is still recuperating, and doesn't expect to be back until January 21st, at the earliest. We hope Carol is doing well, and wish her the best.

...And Why No Meeting The 7th? This meeting was scotched due to a very treacherous ice rain. Your Editor's grand daughter, Erin Davies-Welsh is looking at the ice welds on a fir tree branch (left).

The outcome of the ice rain was quite dramatic. Your Editor fell on his derriere attempting to get the above pictures, and his daughter, Regan, took a good spill just walking to her car. It was not a good day for a luncheon.

Note: The Editor has added more Rotarians to his blog. Check the blog out if you are surfing the web, and have nothing better to do: <http://rotariansjesusandtalkingplants.blogspot.com/>.
